HAVEN • HOME • HOPE

CHANGING ONE LIFE AT A TIME.

Current and former residents share how Sheltering Wings has impacted their lives and what they hope for in the coming year:

"I would like to help other people like me."

"Have support from other women. Not feel scared, feel safe which is most important. Not feel so nervous all the time. Not feel bad about myself. No abuse physical or emotional."

"I don't believe I'd be alive without Sheltering Wings. As my life is in jeopardy I feel safe here. I also do not think I could have pulled through this dark time if it hadn't been for the support of the staff, the Christian environment and all the groups that help us heal. The groups and staff are a true God-send. They are teaching me to rebuild my life, learning tools that enable me to make better choices."

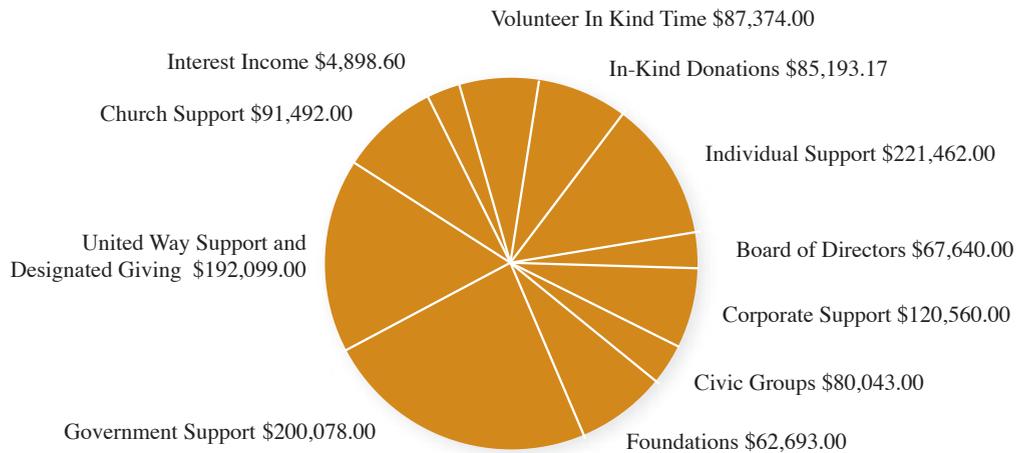

"I hope to remember all I have learned from the staff here, so I enable myself to be a better person who makes sound, rational decisions. I also hope to help other women who need it. I hope to go to school and to get my own home and maybe one day meet a really kind, loving and caring man to share my life with. I also hope that everything I do will make my children proud of me."

"I have gotten my children out of a very desperate situation. In turn, Sheltering Wings has given us some peace."

Most memorable shelter moment in 2009...

Dan Bond, Chair
Capstone Benefits Advisors
Zionsville Presbyterian Church

"I have especially appreciated the Shelter events this past year. It was great to see the hard work and planning of the staff and volunteers come together to create an atmosphere that was not only fun, but embraced the Shelter's mission and the women and children it serves."

Dave Blanford, Vice Chair
ClaimAid Consulting Corporation
Cornerstone Christian Church

"Each year, my most memorable moment tends to come at the Santa party. This year a boy who was about 9 said to Santa, "Don't worry about me. I just want my mommy to be happy". It brought home how much pain many of our residents feel and how important the Shelter's ministry really is."

Dave Clark, Treasurer
Clark C.P.A.
Connection Pointe Christian Church

"I remember being coerced by my buddies at Sertoma to attend their first dinner/dance fund raiser for some worthy organization in the county. Robbie and I have attended every year since then and Sheltering Wings has become very special to us. Not only does it make a difference in the lives of women and their families who need its help, but it makes a difference in all our lives. Sheltering Wings reaches out to everyone in the name of Christ."

Deanna Sanders, Secretary
Citizens Energy Group
Coatesville United Methodist Church

"The heart and dedication of Sheltering Wings employees and volunteers is a gift from God – always there and always giving of themselves."

Bobbi Drury
Brightpoint
Kingsway Christian Church

"To have the opportunity to make a difference in the lives of those struggling from a tragic situation involving domestic violence. One of my co-workers lost her life due to domestic violence. Sheltering Wings was such a blessing during this tragedy! Maria Larrison, Executive Director, came to our facility and provided counseling and resources to our employees who were struggling with her passing. Educating individuals on domestic violence is one of the keys in breaking the cycle."

Paul Hardin
Hendricks County Recorder
Plainfield Friends Meeting

"Although my involvement has been limited, any effort to help a child avoid any kind of abuse and to think a woman and/or mother has a chance to avoid further abuse is worth our time."

Most memorable shelter moment in 2009...

"The need for the services the shelter provides has increased during the recent economic downturn and it's been exciting to see how the Lord has provided through our community."

Dave Helm
Prestwick Development
Traders Point Christian Church

"Following a presentation about the shelter a women approached us about her friend. Her friend and children have been abused for years. The victim recently quit her job, because the visible marks of bruises were becoming more apparent. "She will be more isolated than ever," said her friend. "Help me—help her." It is devastating to be abused by someone that you love."

Dawn Horth
Duke Engery
Traders Point Christian Church

"My most memorable moment was being elected as the new board chairman for 2010. It was a great honor to be elected to this position by my fellow board members and also confirmation that God had a plan for me from the time that I got involved with the shelter four years ago."

Greg Hylton
Indianapolis Colts
Plainfield Christian Church

"The highlight from the past year are the letters that Maria forwards from former residents. The women always write about how much they appreciated the staff. The staff is the heart of the Shelter and does an incredible job on a daily basis."

Cindy Leffler
Indianapolis Power & Light
Messiah Lutheran

"Having been a student at the Shelter in my internship, I am always so pleased when I supervise new students and they see the same wonderful things I saw at the Shelter. The comments are always about the staff and what they do for each woman and child that comes through the doors."

Kay Guidry
I.U. Hospital
Calvary United Methodist Church

"The annual Christmas party at the Shelter always permits me to more fully appreciate just how important our work is as we strive to break the cycle of violence that is inherently a part of each child's life. These children are very special, didn't ask to be a part of the conflict within which they find themselves, yet they are amazingly resilient. We owe them our very best effort to fulfill the mission of the Shelter in their lives."

Robert Leonard

Letter From The Chairman

To our Donors, Friends, and Families,

Each year our annual report contains many startling numbers. This past year the Shelter received 1,097 crisis calls, which is up 200% from 2002 when the Shelter first opened its doors. 132 women lived at the Shelter in 2009; an increase of 51% from 2002. Of those 132 women, 33% of them lived with us for more than 30 days. The 151 children who lived at the Shelter this past year is a 50% increase from 2002.

While these numbers leave little doubt as to the growing need for Shelter services, we also have to remember that there is a face and a story behind each one of them. This was made very clear to me when the Shelter held a town hall meeting last summer following the death of a wife and mother in Brownsburg at the hands of her husband. What I expected that night was an informational meeting about domestic violence; but I will never forget what actually took place. Woman after woman in the audience stood up and volunteered her own story of abuse as a way of consoling others and bringing the magnitude of this problem to light.

That night I had the chance to see what was behind the numbers...fear, helplessness and frustration. What struck me most is that I have probably sat next to these women or others with similar stories at school functions, community events or even at church. These are my neighbors and they are hurting.

As we present our plans to expand the Shelter, we will show statistics that overwhelmingly support the need to grow. But the inspiration and determination to make it happen will come from faith – the faith that God will work with us and through us to help change the story in the life of each woman and each child who make up these statistics.

On behalf of the board, the staff, and the women and children you are helping to heal, thank you for making a difference in so many lives. Please know that your support of the Shelter has made our community a better and safer place to live.

Sincerely,

Dan Bond, Chairman

A time when you were remembering someone special, you thought of others in need. Because of that, the children as well as the women, can still believe in miracles, some for the first time.

Mission

Sheltering Wings provides emergency housing for women and children suffering from any form of domestic abuse. We build stable and independent lives through essential programs offered in a supportive and Christ-centered environment.

Vision

Sheltering Wings was formed in the name and for the sake of Jesus Christ. The Center will extend the love and compassion of Christ to women and their children in the desperate circumstances of domestic violence. Christ was never coercive or offensive, and neither are the services provided by the Center. Our assistance to any victim of any background will be offered in the name of Christ.
