Ameriana's Make a Difference charity program is available for new checking account customers, as well as existing Ameriana customers who refer a new checking relationship to Ameriana. To qualify, new checking customers must open a personal checking account with a Visa® Check Card prior to June 30, 2010. Upon Check Card approval, \$25 will be credited to the new checking account. Please allow up to 30 days for nonprofit organization to receive \$25 donation. Referred parties must bring in completed referral form at account opening. Referrals without a designated nonprofit will be ineligible. Referring party must be an existing customer with account(s) in good standing. Limit 12 referrals per customer. Existing checking customers aren't eligible for \$25 deposit or donation if they open additional checking accounts. Offer expires June 30, 2010. Ameriana may modify or cancel the program at any time. Not to be used in conjunction with any other offer. **Member FDIC.**

Giving has never been easier or more rewarding.

Open a checking account with a Visa® Check Card, and we'll make a \$25 donation to one of the following non-profit organizations on your behalf and give you \$25 to express our thanks. Plus each and every time you refer one of your friends or family members who opens a new Ameriana checking account with a Visa® Check Card, you'll earn another \$25 and we'll donate \$25 to the organization of their choice and give them \$25.
