# Will You Consider a Premier Event Sponsorship?

We'd love to see you there!

Featuring **My Yellow Rickshaw**, 2026 Premier Event **Bigger than Us** will be held on Saturday, April 18, 2026. This will be a fun and meaningful event!

When you choose to sponsor, you are joining like-minded people who care about survivors of domestic abuse. Your sponsorship will save lives.

Book today! Seating is limited and we expect this event to sell out. Seats will be assigned when sponsorships are secured – so get in early for the best seats!

**1 in 4 men and 1 in 3 women  
will experience domestic violence**

Through this event, you stand up for survivors like Samantha, who fled with her son and unborn daughter after two years of emotional and physical abuse.

Sheltering Wings is a comprehensive care hub serving survivors throughout Central Indiana, and we can't do this work without your help.

Please contact Deena Albin to secure your sponsorship!
